Isabella's Garden quilt

We're making the eighth section of this 12-month quilt project—the Pinwheel block row.

Welcome back to the eighth month of Isabella's Garden! Sometimes a row and sometimes a bordered block, this 12-month project is tackling one section at a time. This month, we're making the Pinwheel block row.

For this section, you'll make one row of four Pinwheel blocks. Employ your favorite technique or follow these instructions.

Materials:

two complementary fabrics

Steps:

1. Cut 16, 2-7/8-inch squares, eight from each color to create A and B units.

- Place a unit A and unit B right sides together and mark a diagonal cutting line. Mark a line 1/4" from the cut line on either side as stitching lines (**figure A**). Stitch on both stitching lines, cut on cutting line and press toward dark fabric. The unit measurement is 2-1/2 inches square.

- Lay out the units as shown in **figure B** then join the units—horizontally first, then vertically to create blocks (**figure C**). Press all seams in same direction.
- Stitch the four Pinwheel blocks together to create the row. Press seams in the same direction.
