These are the templates for October's block. Remember you will need Adobe Acrobat Reader to view and print the templates. If you do not have Adobe Acrobat Reader, click the button at the bottom of this page for the download direct from Adobe. It is a free download. Click on each picture to download the file to your computer. You can then print it out or save a copy to your computer to print later.

When printing these templates, be sure that **"Page Scaling"** is set to NONE and the check boxes for **"Auto-Rotate and Center"** and **"Choose Paper Source by PDF Page Size"** are UNCHECKED.

Background Templates

There are two templates for the background that must be pieced together. Match the arrows from each template to get full size pattern pieces for each color of the background. You will have to add 2" to the top of the sky piece so you end up with a 13" block that can be cut down to the correct size.
