

Every Birdie's Home Tweet Home
June Block by Gina a/k/a Gina-4girls

***You are cordially invited to attend the Home Tweet Home
Wedding Chapel
to witness the renewal of vows between Mr. & Mrs.
Bluebird!***

Fabric suggestions:

Light blue for sky (13" square)
Off white crackle for church
Dark tan for roofs
Stone fabric for stairs and cross
Black for birdhouse hole and window
Black print for tophat
Light brown for post
Bright blue for birds
Yellow for beaks

Other items :

Template material
Fusible webbing if desired
Pink floral for bride's wreath

Designer's Notes:

Pattern pieces were drawn with out the ¼" seam allowance so make sure to add if you are doing needle turn. Please feel free to change the religious denomination of the building or even make it City Hall. We aim to please and want to be P.C. I am excited to have done this block and hope it lives up to all the other wonderful blocks that have been done. Please feel free

to add your own touches. I can't wait to see them.

Instructions:

1. Start with a 13inch piece of background fabric, which will be trimmed to the 12 ½ inch measurement when all is done.
2. Begin with the church facade, then put the rooftops on, tucking the cross under the roof. Then add the post and stairs on top of that.
3. Add the window, door and birds last. Remember to turn the pattern for the bird over so you have one facing each way.
4. Add the top hat and fussy cut some flowers for the wreath to go around Mrs. Bluebird's head.
