#### Instructions:

1. Cut the background block 13" square. This will be trimmed down after the appliqué pieces have been added and the block is finished.
2. Add the template pieces , stitching as you go. You will have to reverse them or they will be the opposite from the shown block.
3. Detail the facial features on Baxter the bloodhound with the embroidery floss, black for the eye and nose.

4. Trim the finished block to 10 1/2" x 12 1/2"

**Change anything you wish to make this block yours.
